

Deputy Registrar

It gives me immense pleasure to welcome you to Surendranagar University. As the Deputy registrar, I have the privilege of overseeing the academic administration and ensuring that our systems and processes support the university's mission of excellence in education, research, and service.

The office of the Registrar serves as a vital link between students, faculty, and the wider academic community. From admissions to examinations, records management to certification, we are committed to maintaining the highest standards of transparency, efficiency, and integrity in all our operations. Our goal is to create a seamless academic experience for every student, enabling them to focus on their learning and personal growth.

In line with our university's vision, we continuously strive to adopt modern technologies and student-friendly practices, making academic procedures more accessible and responsive. We believe that behind every successful graduate is not only dedicated teaching and learning but also a robust administrative framework that supports their journey.

I warmly invite you to take full advantage of the facilities, services, and opportunities that Surendranagar University offers. Together, let us continue to uphold the values of academic excellence, inclusivity, and innovation.

Mr. SANJAY N JOSHI

DEPUTY REGISTRAR
